PROFILE

Entry-level Software Engineer with bachelor's in software engineering and skilled in HTML, CSS, JavaScript, and React Passionate Learn about more Technologies.

EDUCATION

Islamia University of Bahawalpur   *Bahawalpur, Pakistan*
Bachelor of Engineering in Software Engineering   2021 – 2025

- Among the top 5% of the batch
- Relevant coursework in **Front-End Development**

SKILLS

Technical: HTML, CSS, JavaScript, React (Frontend)
Tools: VS Code, Git & GitHub (Version Control), Bootstrap, Tailwind CSS, Node.js (basic)

CERTIFICATIONS

- **Web Development Certificate** from *IUB Skills & Career Development Society x NeuraFinity*– jan'25 (*Certificate link*)

EXPERIENCE

Coding First   *Bahawalpur, Pakistan*
Front-End Developer   02/11/2025 – 5/5/2025

- Developed interactive web interface using HTML, CSS, JavaScript, and React
- Demonstrated strong skills in **problem-solving**, **team collaboration**, **communication**, and **productivity**
- Collaborated with cross-functional teams using **Agile methodologies** to meet product goals and deadlines
- Optimized user experience through **clean UI design**, **component reuse**, and performance improvements

PROJECTS

To-Do List Web App   Feb 2025

- Designed and developed a **React-based to-do list** that allows users to add, edit, delete, and complete daily tasks
- Used **React hooks** (use-State) for state management and implemented **local storage** for task persistence
- Built a **responsive UI** using **CSS** and followed **component-based architecture** for scalability

Weather Forecast Apps   Feb 2025

- Developed a **weather application** using **HTML**, **CSS**, **JavaScript**, and the **OpenWeatherMap API**
- Fetched real-time weather data using **Fetch API** and displayed results dynamically in the UI
- Applied responsive design principles and displayed temperature, location, humidity, and weather icons

ACHIEVEMENTS

- Awarded the **Honaahar Scholarship** for academic performance in the field of software engineering
- **Awarded a laptop under a merit-based recognition program**, supporting continued learning and technical development
- Completed a **Front-End Development Internship** at *Coding First (View Experience Letter)*
